

**Leigh F. Baxter – Director of Health System Audit**

Leigh is responsible for performing the annual risk assessment and development of audit plans. Leigh and the team conduct financial, operational, compliance and information technology risk-based audits.

Leigh joined Duke in 2003 after seven years in the KPMG audit practice. While at Duke, Leigh has worked in an audit and finance capacity within several Duke entities, including the Patient Revenue Management Organization (PRMO), OARC and most recently as a finance director for Duke University Hospital (DUH).

Leigh holds a Bachelor of Science from Florida State University and is a Certified Public Accountant (CPA).
