Name & Title: Kathleen (Katie) Little, Sponsored Programs Assurance and Research Compliance Auditor

Education & Credentials: M.S.N. (University of North Carolina at Chapel Hill, 2013); RN (Watts School of Nursing, 1999); B.S. (James Madison University, 1994)

At Duke Since: 1999

Background: Katie Little joined the Duke Office of Audit, Risk and Compliance in February 2020. Prior to joining OARC, Katie worked in the Duke University Health System (DUHS) for 20 years. She began her career in the Pediatric Blood and Marrow Transplant Unit, caring for critically ill children with blood and bone marrow diseases. After 15 years of bedside nursing and staff education, Katie transitioned to the Duke Cancer Network in 2015 to become a research nurse clinician. Her role involved execution of investigator-initiated, National Institutes of Health (NIH)-funded and industry-sponsored clinical trials at Duke community site affiliates in North Carolina.
